

Privacy Notice

For information about Universal Research Solutions, LLC 's ("URS"), privacy practices, please read our privacy policy, which can be accessed using the following link:

<https://www.oberd.com/privacy-policy/>. Sections 2 and 4 contain all information required by Articles 13 and 14 of GDPR.

Identity of Controllers, Purposes and Legal Basis of the Data Processing

URS processes personal data on behalf of the data controller, your healthcare provider, for purposes of resolving technical and other issues related to the data subject's use of OBERD. The information you provide is necessary for us to resolve these issues. URS can be reached at dpo@oberd.com. URS relies on data subject consent as the legal basis for processing related to the purposes described above.

Automated Decision Making and Profiling

The contact information you provide will not be used for purposes of automated decision making or profiling.

Right to Withdraw Consent

You have the right to withdraw consent to the processing of your personal data at any time. Consent may be withdrawn in whole or in part. No adverse or retaliatory actions may be taken against you for withholding or withdrawing consent. The withdraw of any consent will relate to future processing activities. You can withdraw consent at any time by emailing us at dpo@oberd.com.

Privacy Shield

URS is United States company and is located in Columbia, Missouri. URS participates in the Privacy Shield Program, which has been approved by the Swiss Confederation, and adheres to the Privacy Shield Principles. All processing of personal data belonging to citizens of Switzerland is done in accordance with Privacy Shield Principles. For more information about URS's participation in the Privacy Shield Program please see our Privacy Policy.

Standard Data Protection Clauses

For the processing of personal data belonging to European Union citizens, including the transfer of that personal data to URS, URS relies on the use of the standard data protection

clauses for controller to processor data transfers as set forth in Commission Decision 2010/87/EU.
